If your account balance falls below the minimum required, this may affect the interest rate paid - see the product Summary Box for full Terms and Conditions. Interest is payable gross (no tax is deducted). However, you may be liable to pay tax depending on your income, for further details go to [www.GOV.UK](http://www.GOV.UK) and search Personal Savings Allowance. This does not apply to ISA accounts which are tax free. Tax treatment of ISA is the responsibility of the Government and may not be maintained in the future.

AER (Annual Equivalent Rate) illustrates what the interest rate would be if it were paid and added each year. Gross means the contractual rate of interest payable
