£10000 or more	0.75%	0.75%

Interest is payable gross (no tax is deducted). However, you may be liable to pay tax depending on your income, for further details go to [www.GOV.UK](http://www.GOV.UK) and search Personal Savings Allowance. AER (Annual Equivalent Rate) illustrates what the interest rate would be if it were paid and added each year. Gross means the contractual rate of interest payable.
